

THE VOICE

Batch #44 "Mulberry"

ZINFANDEL,
SINGLE VINEYARD
CARNEROS,
2019

Zinfandel, one of the most popular varietals in the US and California. Batch#44 is unlike your typical California Zin. It was grown in the cool climate of Carneros and exudes an old-world character of Zinfandel.

2019 VINTAGE

We still brag about how excellent 2018 vintage was in Carneros, but 2019 may just steal the show as the vintage of the decade in Napa. Time will tell, but as I'm writing these tasting notes (March 2021), I'm astonished with the early development and elegance of this vintage every time I uncork a bottle. Although 2019 has the structure to last years in the cellar, its freshness makes it a perfect wine for today's occasion.

VINEYARD

Carneros is mostly known for growing some of the best Pinot Noirs and Chardonnays in the US. Our vineyard is located on the foothills of Mount Veeder. It's micro-climate is mainly influenced by the nearby San Pablo Bay, which is the northern extension of San Francisco Bay.

TASTING NOTES **January 15th (IG: @thewineguys)*

Notes of mint, blueberries, red cherries, spiced plum, cedar, peppercorn and Christmas spice. Surprisingly bright on the mouthfeel and cooling on the palate. Not heavy or cloy at all, refreshing with a signature crack of pepper on the finish. Pop and pour ready, enjoy now over the next 7-8 years.

- 100% Unfiltered and Un-fined Zinfandel.
- 12 months of aging in French Oak barrels (30% new)
- Sustainably grown fruit with minimal winemaking intervention
- Bev Veg Certified Vegan
